AEGIS DEDICATION

This year the senior class has chosen to dedicate the yearbook to the three retiring office secretaries, Mrs. Bushey, Mrs. Disa, and Mrs. Hellyer. Over the years, they have done so much for ELHS students and have helped us feel comfortable in school. It has meant so much to all ELHS students to see their bright and shining faces as we walked in the doors each morning and we will miss them all very much. They made students feel important by knowing almost everyone on a personal level. For these reasons, and many others, we dedicate the 2020 Aegis to them and hope they have a wonderful retirement.

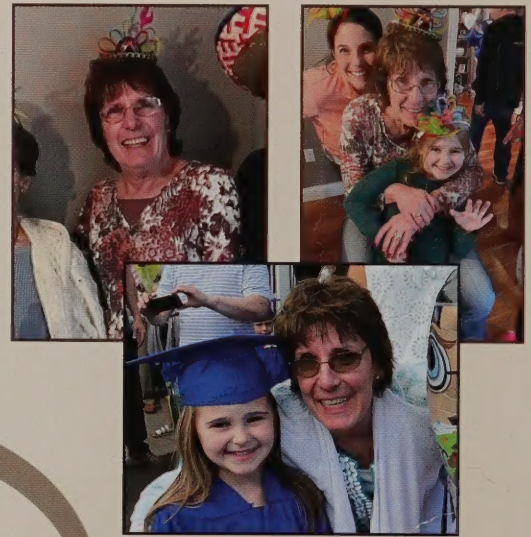

MRS. BUSHEY

Mrs. Bushey started working with East Longmeadow Schools on March 11, 1996. She became a secretary on August 28, 1998. She was most recently the athletic director's secretary and worked in the ELHS library as the library assistant.

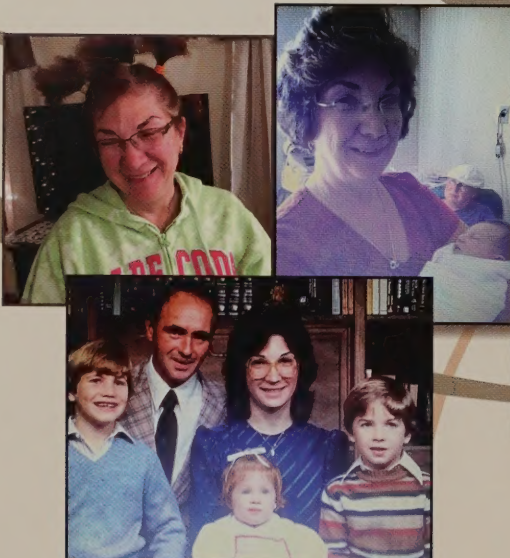

MRS. DISA

Mrs. Disa started working with East Longmeadow Schools on August 29, 1996 in the Special Education office as a secretary. She then became a secretary in the health room, and in January of 1999 she moved to the high school office.

MRS. HELLYER

Mrs. Hellyer began working for East Longmeadow Schools in the Fall of 1992 as a secretary in the special education office. She started in the main office on August 26, 1993 as a school year secretary and became a calendar year secretary for the principal in January of 1999.

LET'S PARTY LIKE GATSBY!

SENIOR SPOTLIGHT

Mairead Shevlin

Art

My name is Mairead Shevlin and I am currently an intern at Michael Epaul Photography in East Longmeadow. We have so much fun and many laughs during these photo sessions.

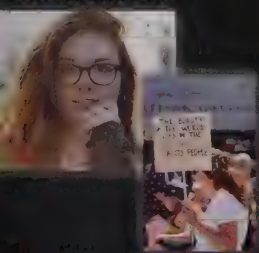

A lot of my art is about going along with what feels right. It's a great hobby when all you want to do is create. This year, doing the Senior T-Shirt and the Spartanum backdrop were really fantastic opportunities to put that want to use - and it really wouldn't have been possible without my wonderful friends and volunteers.

Isabel Hansmann

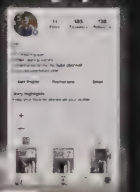

I've been taking pictures since I was really young and about 3 years ago started taking it seriously doing senior pics/prom sessions and some other creative portraits. I want to open my own studio one day and hopefully make it my career.

Reina Jacobs

Performance

Dan Nguyen

I started learning K-pop choreography in 2019 because I wanted to try something new just for the fun of it, and after a year, I can say that I have become a passionate advocate for Asian representation in music through my dance, featured in Spartanum, Dancing with the Teachers, and my covers on Instagram and YouTube.

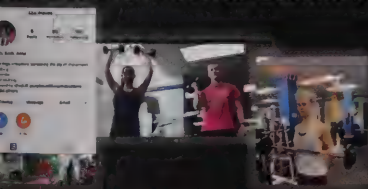

Jake Berry

I play in the band Classified. We're a bunch of headbanging metalheads who go out and show people a good time and a better show!

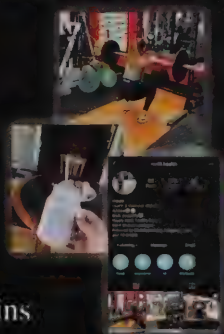

Health/Fitness

OZA Moves: Olivia Calkins, Zach Galietta, & Anna Hugney

We - Olivia, Zach and Anna - put our heads (and initials!) together to spread our love of all things fitness: lifting, cardio, flexibility, and more.

Niefit: Nicole Coolidge

I created niefit as a way to help myself and others learn how to create maintainable, balanced healthy lifestyles. The account doesn't just focus on physical health like a lot of fitness accounts do today, but additionally includes advice about improving mental health (body positivity, self confidence, etc.). This is a reflection of the idea that physical and mental health are intertwined with one another. In other words I like to say that a healthy mind leads to a healthy body.

Tofu Buds: Anna Hugney & Olivia Calkins

A lot of people want to incorporate more plant-based eating into their diet but don't know how. We post pictures of food we cook ourselves and meals we order at restaurants in an attempt to inspire others to cook and order plant-based meals for themselves!

Glenna Garber

Dear Glenna, AKA, Sweetpea,

We knew before you were born that your name, like your brother's, would be a strong one. Glenna - after a Glen in Ireland - stands for a valley carved by rivers and glaciers. With so many years of us cooking together we look forward to your future as a talented chef. You've always been an optimist and we pray God Blesses you always.

Your beautiful smiles, infectious laughs, caring hearts, and determination to succeed are just a few of the qualities that make you so special. Victoria Elizabeth Seal

You know there's a light that glows by the front door, don't forget the keys under the mat. Hold the door, say please, say thank you don't steal, don't cheat, and don't lie. When the dreams you're dreaming come to you, when the work you put in is realized, let yourself feel the pride. Don't hold a grudge or a chip and here's why: bitterness keeps you from flying. Don't take for granted the love this life gives you, when you get where you're going don't forget to turn back around and help the next one in line. Always stay humble and kind!

We love you so much and are so proud of the young woman you've become. You've got mountains to climb!

Love You,

Mom, Ron, Brandon, Nicholas, Benjamin

Band

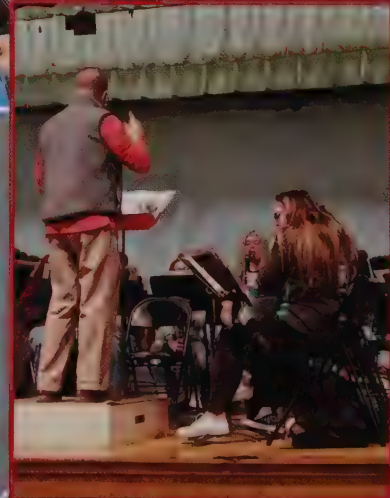

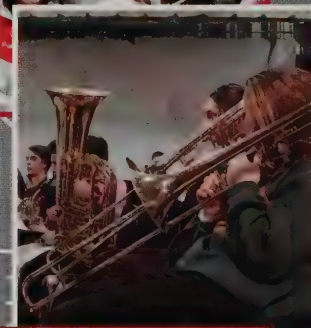

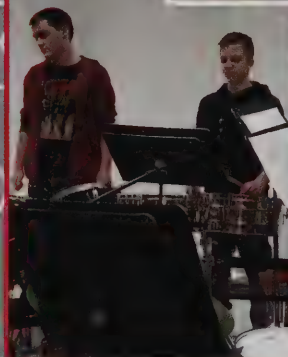

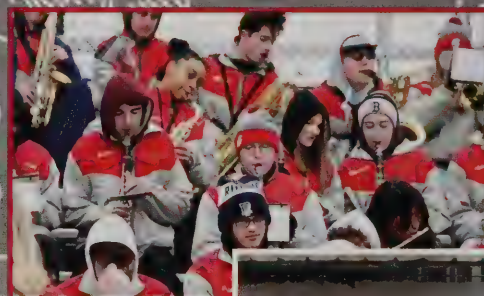

Advisor: James Kiernan

Concert band is a class full of talented musicians with a passion for music. Within this group, we range from Flutes and Clarinets, to Saxophones, Trumpets, Trombones, Percussion and more! We also have some interesting instruments like the Baritone and Tenor Saxophones, the Piccolo, Bassoon, Tuba, and Bass Clarinets. We perform many pieces ranging from the classics of Queen, a Broadway mashup from Chicago, and Disney's Up. When performing, we become a family and are all so proud of each other when we accomplish pieces that we love. The amazing experiences are never-ending.

Advanced Chorus

Advisor:
Carol Forward

The ELHS Advanced and General Chorus both consist of hard working, driven students that love to create and learn music. In class, we learn many different styles of music and new techniques on how to improve our voices for performances. This year, the ELHS chorus had the chance to sing the National Anthem at a Red Sox game, and were planning on performing at the One World Observatory in New York City. We all have a passion and in this class everyone comes together and becomes a family, which is magical.

The Acafellas are an all guys singing group. We thrive off of having fun and making musical and comedic memories together. The gang is always looking to have fun on stage and off with ridiculous moments, which we share as a tight group. We may be short on members sometimes but we make the most of what we've got and get some good laughs doing it. Join Acafellas...you know you want to and you won't regret it.

Here Comes Treble is a passionate, fiery group of girls who love to sing. Every week, they meet only once for about an hour. Even with a small amount of time, when we have to perform, it is beautiful. This year our favorite songs were "Unwritten" by Natasha Bedingfield, "Armor" by Sara Bareilles, "I'll Never Love Again" by Lady Gaga, and many more. This year was filled with many laughs and lasting memories.

Key Club is an exciting and dynamic club where students organize and participate in community service events. This year, we focused on raising money for the Thirst Project. Members also get the opportunity to volunteer out in the greater community—whether that be at the local soup kitchen, a racquetball tournament to benefit cancer research, or delivering Thanksgiving boxes to those in need. #joinkeyclub

In the fall/winter, the club worked on *Clue*, the play based off of the movie based off of the board game, and the musical *Guys and Dolls* in the spring. Directed by Mark Giza, stage managed by Jenny Shin (*Clue*) and Elizabeth Baxendale (*Guys and Dolls*). Each show has had some amazing and talented cast members with a tech crew to match. The ELHS Drama Club looks forward to another year of great shows, and better memories.

Multicultural Club continued on with its mission statement to bring diversity in culture and heritage to ELHS this year. With Isabel, Sofia, Grace, and Dan's leadership, the club sponsored the annual Global Feast, a multicultural potluck bringing students and faculty together to feast on a diverse array of cuisines, and Heritage Night, a celebration of each other's roots through food, displays, and performances. The club also created multiple displays on the school TVs in observation of several heritage months and cultural holidays that occurred during the school year, such as National Hispanic Heritage Month, Black History Month, and Lunar New Year. The members also enjoyed some fun cooking sessions in honor of those holidays as well, including egg rolls celebrating the Year of the Rat!

The Environmental Club strives to strengthen the human connection to nature in an array of ways. We relax on hikes, learn through field work, collaborate to solve local and broad environmental issues, and enjoy the beauty that the earth bestows upon our lives. This year we have joined forces with the Scantic River Watershed Association to do monthly water tests on the Scantic River, collecting samples and performing a number of tests to discover the bacteria content and contamination. Whether to promote positive change in the world or in our own personal journeys, being a part of this passionate group is a great way to unite for a greater cause.

The women's empowerment club is a social activism group of young women working to shed light on the historical and current marginalization of women. Once a week we meet to discuss, learn, and bring awareness to the importance of maintaining pride in being a woman despite the injustices we face throughout our lives. This year we have covered various topics like the importance of supporting other women, self love, sexual assault, abusive relationships, and "The Beauty Myth." The club was created this year with the hope of creating a safe space for young girls to meet and feel a sense of sisterhood and support among their classmates. Each and every member of the club has made our group so unique and beautiful!

The Spikeball club consists of volleyball inspired play; a server spikes the ball onto the net and his or her teammate has three passes before it must be spiked onto the net again for the other team. Although it may sound easy, in reality, players have to move fast around the net and it is hard to control the remarkably small game ball. This game is very popular and grows rapidly year by year.

Our goal is to expand students' knowledge about medicine, help students identify what field of medicine they may be interested in pursuing, and most importantly, have fun! As a club, we often review case studies created by our members, participate in medical discussions, and watch videos about recent medical advancements. We also participate in hands-on activities such as learning how to take a patient's blood pressure, temperature, heart rate, etc. The Med-Sci Club also hosts many guest speakers from different fields, who teach us about their careers, as well as modern innovations in the field of medicine.

From there, we attend the annual American International College Model Congress, where we meet with other schools from throughout the Northeast in order to debate our bills and theirs, negotiating, arguing, and fighting our political motions into "law". Supporting Our Community

Dancing with the Teachers

The Key Club hosted Dancing with the Teachers, a brand new event based on the popular television series Dancing with the Stars, this year in November. They raised \$1,000 and all proceeds were donated to The Thirst Project. The show featured ten teams composed of students and teachers competing to be crowned the champion. Superintendent Smith, Mr. Martin, Dr. Welch, and Anna Hugney made up the panel of esteemed judges. Ultimately, the team of Kaylee Melendez and Mr. O'Connor won the competition. The Key Club looks forward to Season 2 in the future!

Bake Sale

The Animal Rights Club hosted their annual bake sale to support Dakin Humane Society and raise awareness for animal abuse and cruelty. They raised \$100 and have donated \$400 to Dakin over the past three years! Additionally, they collected donations to support the Australian wildfires, raising \$100 to donate to charities that help combat this devastating natural disaster. They also ran their annual Paw Drive to collect supplies for local animal shelters.

Please bring any donations to the main office! 🐾❤️

Superhero Day

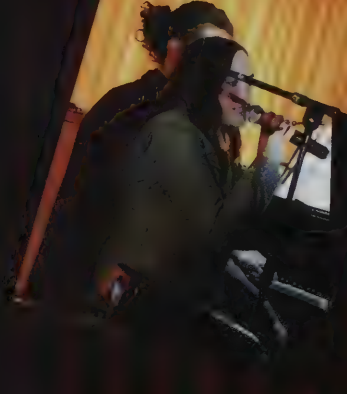

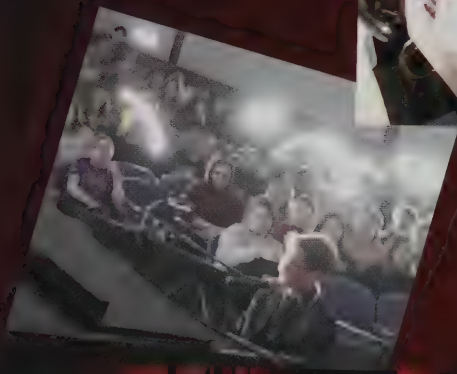

Building off of last year's success, this year the National Honor Society hosted the second annual Superhero Day to support the Sandy Hook Promise See Something, Say Something week. Students across the school dressed up as their favorite superhero. Prizes were awarded based on categories such as Best Duo, Best Group, Best Costume, and Most Original.

Rainbow Run

The Key Club hosted the first annual Rainbow Run, a color run event that raised \$1,400 for The Thirst Project, an organization dedicated to building wells in Africa in communities without access to clean water. The event drew over sixty participants and twenty volunteers. Participants walked or ran the outlined course and passed through different color stations along the way.

SPARTANUM 2020

"The Show of the Decade" Show Day!

The theme of ELHS's annual Spartanum was "the show of the decade". Looking back, this could not have been a better description. Outside circumstances prevented the usual Friday and Saturday night show dates, but the performers, directors, MC's, and stage crew worked tirelessly to perform for the entire school during the school day. To quote advisor James Kiernan, this show had "the best audience we have ever played for... it was truly a legendary moment in ELHS history!" He could not have said this any better, as this truly was the show of the decade. A huge thanks to Mr. Kiernan and Mr. Bail for making this all possible, and for the admirable effort by every student involved.

LANDSCAPING

413-426-6358

Torcia & Sons started with the first few lawns and it grew with a lifelong friend Rob Greco. As the business developed and got bigger, Jack Moorhouse, Ryder Johnston, Chase McTaggart, and Ryan Karliskind all became key pieces of the whole operation. We worked as a team to grow and accomplish the best way that we could. The Torcia & Sons name came from my grandfather, Mike A. Torcia. He was a contractor in East Longmeadow with two of his sons, from the late 1980's to the mid 2010's. Before passing away from Parkinson's in 2019, he left me his truck and told me to grow my business. He was a hard worker and always wanted what was best, especially for his four grandchildren. Countless others have helped me, but I started it because I like to do it, not because I had to.

The Girls Varsity soccer team had an amazing, yet heartbreaking season. With 13 seniors, everyone was determined to make playoffs this season. However, despite playing tough teams (all D1), the Spartans finished the season with a record of 7-8-3, only coming short of playoffs by one point. Regardless of the record, this was one of the best seasons the Spartans have had in awhile. Everyone was so close and there was a bond on and off the field. Overall, it was certainly a memorable and unforgettable season for everyone on the team.

From the start of the season, the boys wanted to set the bar high. Quickly adopting the motto "we before me," the team became very close, truly becoming a family. After a strong 4-1 start, the team experienced some setbacks, but surged back fiercely at the right time. The Spartans finished with a regular season record of 9-7-2, and achieved their ultimate goal of clinching a playoff spot. Despite losing 3-2 to a strong Amherst team in the Western Mass quarterfinal, the team ended their season with pride, as they turned heads and continued to exceed expectations all season long.

Girls Cross Country had an amazing season this year, finishing 7-3 for the second year in a row. With the majority of the team being newcomers, the success accomplished by each and every athlete was outstanding. Pasta parties created more unforgettable memories, bringing the girls and boys teams closer, which was sustained throughout the season thanks to the constant support between the girls and boys teams. The season ended with every athlete racing at least one 5k, and six of our girls competing at The Western Mass Championships at Northfield Mountain. With leadership from Coach Budd and senior Hana O'Brien, the girls cross country team finished second in the league, becoming more of a family every step of the way.

Under Coach Zilch's strong coaching, the team ran many noble races and made unforgettable memories such as ice baths at Laughing Brook, the annual frisbee golf and scavenger hunt, the pace game, and the Monson Road breakfast run. With eight talented freshmen joining the team this season, the highest amount in recent history, the cross country team has the potential to prosper and continue this improvement in the coming seasons.

However, with a lot of hard work and dedication, they ended the season with 3 wins, several close sets, and a newfound love for the game. The JV and Freshmen teams also saw great improvement throughout the year ending with similar records. They entered as a team and left as a family. #comback!

The ELHS Cheerleading team has grown tremendously as a squad. They have overcome challenges with never-ending spirit. They performed the best pep rally performance in the last 4 years. Through moments of laughter (possibly too much) they have come closer and formed unbreakable bonds. To the school they are a team, but to each other, they are a family.

East Longmeadow boys basketball is above all else supreme. Members of the freshman, JV, and Varsity teams are of the highest kind and order of ELHS students. The basketball program is a collective team, an indivisible unit. Once part of the team, young boys are forged into respectable young men with integrity, discipline, commitment, and hard work as the pillars on to which they rely on. Being a Spartan basketball player is more than being an athlete. We are a group of dedicated young men building a culture and making ELHS boys basketball great again.

Returning wrestler include Sophomore Mitch Aarons, Jack Learned and Freshman Josh Reilly. New this year are Freshmen Tanner McTaggart, Dan Magiera, Andrew Violette and 8th grader Cole Johnson. The team is rounded out with transfer students from Chicopee, Junior Matt Clark and brother Sophomore Marcus Clark. The Spartans started off strong with 3 medals at the early bird tournament. The team has been competitive in every meet, heads up, and one on one. Forfeits in several weight classes cost the team many close matches. The Spartans expect the program to grow over the next few years.

SADLY, DUE TO THE OUTBREAK OF THE CORONAVIRUS, THE 2020 SPRING SPORTS SEASON WAS CANCELED. THIS WAS HEART-BREAKING FOR SENIORS IN PARTICULAR, AS FOR MANY, THIS WAS THEIR LAST OPPORTUNITY TO PLAY THEIR SPORT. THE YEARBOOK STAFF DECIDED TO HONOR ALL OF THE SENIORS FOR EACH SPORT BY INCLUDING SOME DETAILS FROM THEIR ATHLETIC CAREERS.

2020 Coronavirus Pandemic

The coronavirus outbreak began in Wuhan, China before quickly spreading globally and was officially recognized as a pandemic by the World Health Organization (WHO) on March 11, 2020. Efforts to contain the virus include quarantine measures, social distancing, and business closures to encourage citizens to stay home and limit the spread of the virus. Schools across the country were shut down, events and sports were canceled. Students continued their schooling virtually and changed the way they do things.

Symptoms

Fever, Cough, Shortness of breath,

Pain in chest, Sore throat, Aches,

Fatigue, Loss of taste and smell

How it is contracted ?

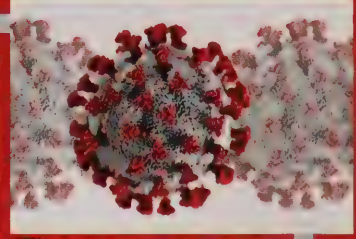

Respiratory droplets are released when someone w/virus coughs, sneezes or talks. It also spreads if a person touches a surface with the virus on it and then touches their mouth, nose or eyes.

Prevention

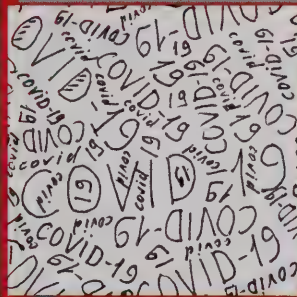

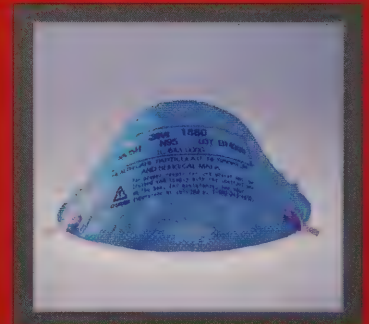

There's no vaccine yet but here are things humans can do to stop the spread: wash hands w/soap & water for 20 seconds, use hand sanitizer, stay home, avoid large gatherings, keep 6 ft. of distance between you & others, avoid touching your nose, eyes, and mouth, cover your mouth when you cough & sneeze, keep surfaces & belongings disinfected.

What Is It ?

Coronavirus is a type of virus. There are many different kinds and some cause disease. This newly identified strain has caused a recent outbreak of respiratory illness called COVID-19.

1. Symptoms may appear 2-14 days after exposure to virus.
2. Very mild or severe depending on the person.
3. Groups more at risk: person w/ compromised immune system, lung disease, heart disease, and the elderly.

Other Names

1. Coronavirus
2. COVID-19
3. Corona

To the health care workers, they have worked tireless hours, during this crazy time trying their best to treat COVID-19 patients. They are at high risk every day due to their prolonged exposure to the virus. With loved ones of their own at home, these brave workers continue to risk their lives to help citizens in need. It is a very overwhelming circumstance that no one could have predicted. The severity of this pandemic is extreme but, the health care system and its workers are doing everything they can to continue to push through this stressful and emotional time.

ELHS has been closed for the remainder of the 2019-2020 school year. All school-wide events have been canceled including, spring sports, prom, graduation, senior banquet, awards night and junior semi. There are 178 reported cases in EL. ELHS staff have been doing the best they can to continue teaching from home. With the help of the newly implemented Chromebooks every student received earlier this year, teachers have found it easier to communicate with their students through remote learning.
